Mara

Last summer, I worked in a cinema. First I sold tickets in the ticket office and then I worked in the café. It was a boring job and badly paid. I wanted to go on holiday, but I couldn't because I didn't have enough money. The best thing about the job was the films because when I finished work, I could watch them for free. Now I'm thinking about writing a film blog.

Lottie

I had the best job in the world last year. I worked in a zoo! I was only in the gift shop, but I could visit the animals in my lunch break. I loved the sea creatures especially the penguins and the turtles. Next year, I'm going to try to work there again and when I leave school, I'm going to study hard and work with endangered animals in Australia.

Andrea

I worked in the kitchen of a restaurant last year. It was the hardest job I've ever done. It was so busy and I had to do a lot of cleaning and tidying. I didn't enjoy the work, but everybody was friendly. I don't think I'd like to work in a restaurant again, but I learned a lot about cooking from the chefs.
